No. S. 363 of 25/26.1.09 from the D.C., Bangalore, requesting that certain mistake, in the Procgs. of the Conference of the 7th Dec. 08 may be Corrected.

As will be seen from the original put up (which was based upon the Shorthand notes taken at the time of the Conference), the Dept. Govt. mentioned Kankankalli and Anekal among the effected tracts in Bangalore Dt.

Subt. for orders as to whether it is necessary to issue Correction Slips on this and the other mistake of the Dept. Govt. or whether it is enough if a few copies which are used for ref. in the office are Corrected accordingly.

There is no necessity to issue a correction slip — the shorthand writer's notes were verified by me from my own. No further action seems to be necessary & the mistake will be noted in the proceedings.

Sir,

Referring to the last para of the 6th page of the printed Proceedings of the Conference in regard to Famine matters held on the 7th December 1908, copies of which were forwarded with your letter No.R.4878/Agri.dated the 17th January 1909, I beg ~~have the honor~~ to inform you that some mistakes have crept in in the statement said to have been made by me at the Conference regarding the Taluks affected in my District and their area. What I said at the Conference was that, as matters stood then, portions of the marginally noted Taluks were affected and I do not remember to have included the Taluks of Kankanhalli and Anekal which are not affected at all. I regret, that though a mistake committed in calculation in my Office, the area of the affected tracts was stated at the Conference to be 45 square miles, whereas the correct figure is 387-22 square miles. I request, therefore, that you will be so good as to have the above mistakes corrected and a correction slip issued accordingly.
